## Jennifer Garner & Violet: Frozen Yogurt Fun

Mom-of-two Jennifer Garner picked up her 4 1/2-year-old daughter Violet from school and treated her to some frozen yogurt in Brentwood today (September 28). The adorable mother-daughter duo seemed to be in deep conversation while sitting at a table in Menchie's. Such a sweet pair! Jennifer and her husband of 5 years, Ben Affleck, are also parents to 1 1/2-year-old daughter Seraphina.
